CHARACTERIZATION AND MAPPING OF
TISSUE LESIONS

STATEMENT UNDER 37 C.F.R. §1.55(a)(4)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

RECEIVED
APR 23 2004
TECHNOLOGY CENTER

I, Konstantinos Balas, a citizen of Greece and residing at Ag. Paraskevi, Athens, hereby declare the following:

At the request of Lahive & Cockfield, LLP, I prepared an English language translation of the certified copy of Greek application 20000100102, filed on March 28, 2000 to which the above-identified patent application claims priority. It is my belief that this translation was filed with the U.S. Patent and Trademark Office on June 13, 2003. In compliance with 37 C.F.R. §1.55 (a)(4), I hereby confirm that the English language translation is a true and accurate translation of the certified copy of Greek application 20000100102.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false

Application No.: 09/739089

-2-

Art Unit: 3765

and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

KONSTANTINOS BALAS
